

Enhancing Outdoor Environments for the Pets You Love

“As a veterinarian, I’m thoughtful about what I recommend for use around pets. Spruce, a hardworking and worry-free weed & grass killer from Procter and Gamble, offers a simple, effective way for you to remove weeds while feeling confident that your pets can enjoy it as well. Having a clean outdoor space for pets to roam supports both physical and emotional wellbeing—key principles of the Fear Free approach and another reason why I love Spruce!

—Dr Marty Becker Founder, Fear Free

Safe for Use Around Pets When Used as Directed

Spruce Weed & Grass Killer allows you to create a weed-free playground for your furry friends. It’s safe for use around people, pets, and bees when used as directed and it gives you peace of mind when using it around walkways, mulch beds, driveways and patios.

Nine Simple Ingredients

With a thoughtfully crafted, simple formula, Spruce proudly lists each ingredient on its packaging for consumer transparency. Ingredients include:

- Cornmint Oil – Essential oil that dehydrates
- Geraniol – Disrupts plant cell membranes
- Sodium Lauryl Sulfate – Helps ingredients coat and penetrate weeds
- Citric Acid – Helps balance pH
- Trisodium Citrate Dihydrate – Helps balance pH
- Trisodium Citrate – Holds ingredients together
- Isopropyl Alcohol – Holds ingredients together
- Urea – Helps stabilize product
- Water – Holds ingredients together

Fast Results, Minimal Disruption

After application, you’ll see visible results in 1 hour and dead weeds in 1 day. This allows for rapid return to enjoying the outdoors for you and your pets – minimizing downtime and disruption, ensuring you can continue to enjoy outdoor activities.

H-HO-056-EN-2506

Why Fear Free Trusts Spruce

- It’s a suitable product if you’re seeking a solution at your home that is safe for use around your pets when used as directed.
- Helps reduce environmental and sensory stressors that can negatively impact your pet to support low-stress outdoor enrichment areas year-round.
- Spruce is USDA Certified and backed by the Good Housekeeping Seal, and it’s also a proud partner of animal welfare organizations including Best Friends Animal Society & SPCA Cincinnati.
